

# Lagos State Development Plan 2052: Africa's Model Mega City

**BY 2052, LAGOS WILL BE AFRICA'S MODEL MEGA CITY AND GLOBAL, ECONOMIC AND FINANCIAL HUB THAT IS SAFE, SECURE, FUNCTIONAL AND PRODUCTIVE**

**To become Africa's Model Mega City and Global Economic Hub, we will accelerate economic development over the next 30 years by creating high value and volume jobs**

## THRIVING ECONOMY

**Lagos will have a robust, healthy and growing economy with adequate jobs and strategic investments to sustain the growth**

**Wholesale & retail trade:** Increase formal retail trade at par with leading African peer and establish the largest West Africa wholesale hub

**Food & beverage manufacturing:** Leverage Nigeria market demand as a base to become the export hub for FMCG manufacturers in West Africa

**Shipping & logistic services:** Become West Africa's main trade hub and regional gateway for transit and port services

**Financial services:** Establish a world-class international financial center ranked as a leading hub in Africa

**Real estate services:** Establish Lagos as the base for high quality, cutting-edge and sustainable real estate market in West Africa

**Art & entertainment (incl. Nollywood):** Become Africa's international media city for audio-visual & interactive media with Lagos films generating box office receipts at par with leading global peers

**Develop SMEs:** Grow SMEs to ~10% of total share of enterprises in line with global peers

**Build tech ecosystems (incl. Fintech):** Drive tech ecosystem value to ~10% of the State GDP by making Lagos a preferred destination for investors and innovators

## HUMAN-CENTRIC CITY

**Every Lagosian will have access to affordable and world-class education, healthcare and social services**

**Education:** Prepare a world-class workforce by developing and attracting key talent through education, vocational & technical training programs for high-value and high-skill jobs

**Healthcare:** Guarantee high-quality, affordable, and accessible healthcare for all residents as well as to position Lagos as a top 5 medical tourism destination in Africa

**Housing:** Create a resilient and equitable housing market by increasing the share of formal housing to ~70% in line with leading peers

**Safety & security:** Ensure a secure environment and accurate perception of safety in Lagos by ranking in the top 5 of the safest cities to live in Africa

## MODERN INFRASTRUCTURE

**Lagos will have reliable and sufficient infrastructure that meets the needs of a 21<sup>st</sup> century city**

**New urban centres:** Develop new world-class urban centres to optimize land use and evenly distribute economic and living activity across Lagos State

**Transportation:** Create a multi-modal transport network to serve existing and new urban centres and provide sustainable, efficient and flexible means of mobility

**Power & energy:** Facilitate the coming online of ~100TWH (~12GW) by unlocking Lagos' gas potential, leveraging IPPs to complement grid supply and investing in renewable energy

**Internet connectivity:** Democratize access to high-speed internet connectivity across government facilities, public spaces and households

**Water & sanitation:** Provide clean and safe water at WHO recommended level and comprehensive sanitation services to all residents equitably and reliably

**Waste management:** Develop best-in-class waste management system to consistently position Lagos state among the top 3 cleanest cities in Africa (currently not in top 10)

## EFFECTIVE GOVERNANCE

**Lagos will have a supportive and enabling environment that creates opportunities for all Lagosian**

**Digital transformation:** Rank within the top 20 emerging market cities on the Local E-Governance index with an average response time to citizens' of <1 week

**Revenue diversification:** Increase internally generated revenues (IGR) to ~5% of GDP with PAYE tax contributing <40% of total IGR in line with peer cities

**Investment attraction:** Attract capital investment flows to the priority sectors in line with leading peer cities (i.e., ~5% of GDP)

<sup>1</sup> Forecasted by Oxford Economics

<sup>2</sup> LSDP aspiration based on the vision to become Africa's leading mega model city i.e., an upper middle-class city such as Johannesburg, Jakarta, Mexico and São Paulo

# Lagos State Development Plan 2052: Africa's Model Mega City

**BY 2052, LAGOS WILL BE AFRICA'S MODEL MEGA CITY AND GLOBAL, ECONOMIC AND FINANCIAL HUB THAT IS SAFE, SECURE, FUNCTIONAL AND PRODUCTIVE**

**400+ LSDP INITIATIVES TO BE IMPLEMENTED OVER THE NEXT 30 YEARS ACROSS FOUR PHASES**

**LAGOSIANS PLAY A KEY ROLE IN ENSURING THE SUCCESSFUL DELIVERY OF THE LSDP 2052**

## **1. Support the plan objectives**

**Actively support the development plan objectives by signing up and participating in LSDP programs by:**

1. Perform your civic responsibilities ex. obey state laws and participate in elections
2. Pay your taxes to benefit from more government services
3. Patronise and support local businesses to invest in our own economy.

## **2. Engage in Accountability Mechanism**

**Demand accountability on the performance of the development plan by:**

1. Leverage multiple citizens engagement platforms to seek feedback
2. Provide inputs on the implementation status of the development plan
